

Feeling Sick?

Choose In-pharmacy
Testing and Treatment

MakoRx Care Connect provides same-day healthcare services and treatment at your local pharmacy – no insurance required

The Problem with Traditional Healthcare:

- Insurance copays and deductibles are expensive and confusing
- Appointment availability is scarce and often paired with long waits in-office
- After you visit the doctor, you have to take a second trip to the pharmacy for medicine

MakoRx Care Connect is the Solution

Get quick and affordable testing, care and medicine all at your local pharmacy
